**Quotes from Kickstarter Backers**

*This is probably the most needed thing in the allergy community right now SO glad you are making it happen!!! You literally are saving lives with this project! Thank you!*

*I'm so excited for this video to be produced and to be able to give the school a copy of it so they can continue sharing food allergy safety tips with the kids!*

*There is nobody on Earth we'd rather have make this video for schools. We are so thrilled to support you in this project, and to call you an inspiration and friend to our family!*

*I am so excited for you! This is a great project and you are THE perfect person for it. The food allergy community and its children are lucky to have their very own rock star with such a huge heart!*
